Poetry By W.D. Ehrhart

War, Literature, and the Arts is published semiannually by the Department of English at the United States Air Force Academy. The editors of *War, Literature, and the Arts* are accepting manuscripts of 15-30 pages which contribute to understanding either war or art, or both, by means of critical inquiry into artistic depictions of war from any culture or period. (Documentation conforms to the MLA Style Manual.)

Although critical articles are our main focus, we will consider war poetry, personal memoir, short fiction, visual art, book reviews, and letters to the editor. The opinions expressed in the journal are not necessarily those of the editors or the United States Air Force. *Upon publication, copyright reverts to authors.*

For subscription information, see detachable form
on the last page of the journal.
